For David,

My name is Charles and I'm from Spain. I'm in second of E.S.O in Santa Marta. I'm sometimes very busy in class. During the week I watch TV in the morning and in the evening I play football on Mondays, Wednesday^s and Fridays after school and I sometimes play basket ball or tennis ~~at~~ the weekends. I sometimes run in the evening ~~just~~ to be in good ^{shape} form but I must be home at 9.00. I love tennis but I am not ^a good player. I love sleep^{ing} in the winter and I never play rugby. What activities do you do in your free time?

Write soon,

Bye, Bye

Charles
